## *Garner Historic District & Round Table Brewery*

### **DISCOVER ROCKLANDS HISTORIC GARNER DISTRICT & BREWERY**

Spend a day exploring the charming Rockland, NY, with an abundance of activities to enjoy. The historic Garner District stands out as a unique attraction. Recognized on both the national and state registers of historic places as the Rockland Prints Works Historic District, this former textile mill complex, dating back to the pre-Civil War era, has been revitalized into a dynamic mixed-use community.

During your visit, you can embark on a history tour, explore artist studios and exhibitions and tour the Round Table Brewery with a tasting session.

The group can also savor a delicious lunch on-site.

There will be time to explore the site own and perhaps take a nature walk on the Creekside Sculpture Trail.
